Pushing What's Possible: Breaking Boundaries and

Mind, Body, Music: Assembling the Parts with

Bridging Gaps

To say Dr. Lisa Ruble is accomplished would be an understatement. She has been relentlessly pursuing interventions for individuals with autism for over thirty years and has seen drastic changes in that time. Initially working in microbiology after completing her bachelor's degree at Indiana University, Lisa transitioned to a clinician role as a school psychologist […]

Cara Chowning

"It's all pieces of a puzzle that make up your life as a creative," says Dr. Cara Chowning as we discuss her approach to teaching and creative arts. Cara is a pianist at heart, beginning her time seated at the ivories at the young age of five. She utilizes her experience at the keys as […]
